American College of Oral and Maxillofacial Surgeons
American Dental Association

Certifications

Advanced Cardiac Life Support
Pediatric Advanced Life Support

Personal Interests

I enjoy spending time with my wife and two children. We enjoy travelling, hiking, and our many pets. Having been raised in the small town of Morrison, Missouri my main interests outside of medicine involve agriculture; specifically raising beef cattle, corn and soybeans. I also enjoy mechanics, having recently restored a 1966 GMC pickup truck and a 1969 Allis Chalmers tractor.
